A charge of £150 per day plus a repayable bond payment of £500 had been suggested. The Community Council was being consulted in case the recreation ground was transferred by that time. MacVenture Playgrounds had been more forthcoming with providing the additional information requested but there was sufficient information to hand to

make a fair comparison. Both companies have been asked to quote for:

Basket swing – suitable for toddlers, teenagers and disabled users, toddler play unit and slide

Safety surfacing and removal of existing equipment and surfacing.

MacVenture's equipment had a framework of solid round timber whereas Creative Play had quoted for their cheaper product i.e. structures that were made of two planks of wood sandwiched together.

MacVenture Play equipment was slightly more expensive but the equipment looked sturdier and the safety surfacing was thicker (23mm as opposed to 18mm).

Creative Play was more expensive on the removal of equipment, safety surfacing, site security, welfare, delivery etc.

Following a debate about the advantages and disadvantages of each it was proposed that Macventure Playgrounds be contracted to carry out the work on the playground (Prop. Cllr. Eric Roberts, Sec. Cllr. David Williams). All in favour apart from Cllr. Paula Parry who abstained. The rationale was given as follows:

The product is heavier and more robust for the exposed site

The solid round wood structure of the equipment was more in keeping with the play equipment already on site.

MacVenture Playgrounds Ltd. is a local firm which had done work for several other community councils and schools on Anglesey.

The overall price quoted was considered to be better value for money.

They were also on hand to carry out any follow up inspections, repairs etc.

Resolved: to appoint Macventure Playground to carry out the work on the play area. The clerk would place an order for the supply and installation of two basket swings, toddler play unit and slide - £24,787 plus VAT. Total budget available increased to £30,000 to allow for work to be carried out on the existing equipment. Work was to commence as soon as possible.

**10. PAYMENTS: - Resolved: to confirm and pay the following:**

Salary December and January	£884.80	HJBC	£2216.37
Chairman	£650	IOACC	£36.00

The clerk had reported to the chairman that two cheques 001533 - £40 payable to One Voice Wales and cheque number 001534 - £2216.37 payable to Holyhead Joint Burial Board (both posted at the same time) had been reported as not received. Both recipients had informed the clerk that they had received envelopes containing an accompanying document but no cheque.

Cheque No 001533 - £40 payable to One Voice Wales was subsequently returned to the clerk by Nat West Bank with a note confirming that it had been sent back to them by the Royal Mail. That notification is to be filed for audit purposes and the cheque is to be re-issued.

Cheque No 001534 is still missing. Holyhead Town Council no longer have the envelope so could not comment on whether it was damaged in any way. Nat West Bank confirmed that cheque 001534 had not been presented and although it was very unlikely that anyone would be able to change the name of the payee (Holyhead Joint Burial Board) they agreed to cancel that cheque free of charge.

Resolved to issue a new cheque to HJBC.

It was also agreed that the clerk should explore the possibility of on line banking and report back to the Council on the control mechanisms required to ensure that it remains financially secure.

**11. PRECEPT 2019/20**

The Finance Members had already met to discuss the accounts, consider the forecast of expenditure to 31 March 2019, the anticipated expenditure for 2019/20, the earmarked reserves for various items etc. The Clerk / RFO presented the recommendations together with copies of all relevant documents to each Council member. Having taken account of the anticipated reserves at 31 March 2019 and discussed the anticipated expenditures the Council agreed to accept the recommendation of the RFO and Finance Members and resolved to request a precept of £35,000 for 2019/20.
