10. COUNCILLORS' REPORTS

10.1 Cllr. Stephen Williams:

Had attended a Morlais Meeting with Cllr Dafydd Rhys Thomas, there was much discussion about the problems experienced with the drilling but there were no issues that should be brought to the attention of the Community Council.

Reported that he had been asked about the possibility of installing a convex mirror opposite the Trearddur Road / B4545 junction to improve visibility. It was noted that the Community Council had no authority to approve this and that a request would have to be made to whoever owned the post where the mirror would be attached. It was likely that whoever installed the mirror would have to accept liability for it.

10.2 Cllr. Paul Norris:

Reported that there were ongoing complaints about the decision taken by the Hall Management Committee not to allow dogs in the Hall. He would keep the Community Council informed of any further development.

10.3 Cllr. Dafydd Rhys Thomas:

Reported that the Village Hall caretaker had taken the decision to step down and that the Hall Management were looking for someone to take on this role. It was also said that a new letting officer had been appointed and that a bilingual sign was on order for the front entrance.

The County Council's Standards Committee had recently met, once again there was much emphasis on Councillor behaviour, the importance of being familiar with, and adhering to the Code of Conduct. It was apparent from the number of referrals made to the Ombudsman that one Community Council in particular had some serious issues with this.

The work on the Active Travel Route was ongoing and a safety audit would be taking place shortly.

11. NEXT MEETING - 17.7. 2024 with a 6pm start.
