- 10.3 Cllr. Dafydd Rhys Thomas:
Expressed serious concerns about the condition of the car park by the Sea Shanty and would be bringing this up again with the County Council officers. The path to the beach was inaccessible and huge potholes hidden in inches of water were a huge safety risk to car park users.
- 10.4 Cllr. Paul Norris
Noted that the information boards on either side of the beach were rusty and required attention.
- 10.5 Cllr. Stephen Williams
Reported that members of the Trearddur and District Village Hall Committee continued to be very unhappy about the reports included in the Community Council's September and October 2025 minutes. Their objections were noted, however it was agreed that the minutes would stand as the report given was correct at the time. It was fair to say that the committee was more transparent in terms of its spending etc but there continued to be unresolved issues regarding non compliance with the Terms of the Deed of Trust.
