7. RECREATION AREA

The work on the new access to the play park was almost complete but it was apparent that more drainage work would be required before the safety surfacing work could commence. It was agreed not to carry out further work on the water course as it was likely to be IOACC's responsibility.

Cllr. Paul Norris pointed out that there would be no pedestrian access to the recreation ground if the footpath to the play area was closed off. Agreed to leave a gap by the play area gate.

Cllr Alwyn Jones reported that some of the post around the football pitch were dangerous and should be replaced. He also suggested that the no dog signs would be more visible on the outside of the fence. It was agreed that a no unauthorised vehicle sign was to be put on the gate.

8. PLANNING MATTERS

- 8.1 FPL/2025/195 Y Nyth Cottage, Ffordd Ravenspoint Road, Trearddur Bay
Full application for demolition of the existing dwelling and erection of a new dwelling with a balcony in lieu - It was suspected that the flooding concerns on that site were being understated – that ground was particularly wet. There was also a concern that the proposed two storey building would overlook three other neighbouring properties.
- 8.2 VAR/2025/43 High Tide, Ravenspoint Road, Trearddur Bay
Application under Section 73 for the variation of condition (12) (Approved Plans) of planning permission V2191b (detailed application for the erection of 5 bungalows) so as amend design on adjacent land. – members were seriously opposed to any proposal for increasing the number of holiday homes in this area. This development should be restricted for residential use only. It was also requested that the site be given a Welsh name.
- 8.3 FPL/2025/287 Refail Farm Estate, Pontrhydybont.
Full application for the erection of a dwelling, construction of a new vehicular access together with associated development on land to the east of Refail Farm Estate - Members were opposed to this application, the proposed development was in a particularly dangerous position on the road to the primary school. Cllr. Keith Roberts informed the Council that this application had been called in for a Planning Committee decision.
- 8.4 OP 2025/8 Ffordd Penrallt Road, Trearddur Bay.
Outline application for the erection of 3 dwellings with all matters reserved - Members expressed concerns, it was understood that some neighbouring properties had soak aways from their septic tanks on the site. The drainage issue would need to be explored before a planning decision is made.
- 8.5 FPL/2025/300 land adjacent to Pen Y Bonc, South Stack
Retrospective application for the siting of a single field shelter - no observations.

Reported that the lights on the hill towards The Rise were out of order – the clerk would make enquiries with IOACC. It was hoped that IOACC would have some money left over to improve the pavement here. The path between the Sea Shanty and the beach was inaccessible and it was still difficult to get to the bins in the main carpark.
